Miami University endorses the core curriculum listed at the front of this booklet. Miami expects students to have completed at least two years of the same foreign language. Students who do not meet these standards will not be denied admission if they are otherwise qualified. Instead, they will be required to complete additional courses after they come to Miami. These courses will count toward graduation, and many of them can fulfill other university requirements. They are regular college courses, not remedial courses.

SELECTION CRITERIA FOR FALL TERM:

Miami conducts a comprehensive, individualized review. We consider 20 academic and contextual factors,
