Students who are admitted to the university with deficiencies in the core curriculum will be required to complete course work at the university to remove the deficiencies. English and mathematics deficiencies may require remedial work prior to entering freshman level courses. Deficiencies in English and mathematics must be removed in order for students to progress with course work within their degree program. Deficiencies in the natural sciences, social sciences, and arts will be satisfied through the completion of course work through the freshman level or by demonstrated proficiency.

## SELECTION CRITERIA FOR FALL TERM:

Ohio students who have graduated from a state public or

chartered high school, completed the college preparatory curriculum, earned at least a least a 2.0 GPA, and have a composite score of 18 ACT/840 SAT (math and critical reading only) are encouraged to apply for unconditional admission. Students desiring on-campus housing are encouraged to apply as early as possible due to the high demand for on-campus accommodations.

ACT/SAT Writing Test: Not required
